

Mark 16:15

TEAM FAITH

YOUTH SPORTS

Team Faith Youth Sports is a faith based youth sports ministry open to all youth through team tryouts. Our mission is to minister with the love of God to children through athletic sports in a positive, faith based approach that encourages, challenges and motivates them to succeed. Our goal is to teach them life skills such as goal setting, believing in themselves, working hard as individuals, and working in a team environment. It is our desire to instill in our youth values that will help them make good choices in their lives. We believe that children need to be involved in positive activities that keep them occupied both physically and mentally to keep them out of trouble and from making poor choices.

Team Faith Fastpitch started in 2003 with the formation of one team, with the purpose of ministering to young girls through the sport of softball. That single team has now grown into Team Faith Youth Sports, an organization with multiple youth softball, baseball and volleyball teams.

It is through sponsorships and fundraising that the kids of Team Faith are able to play and compete. Many of our youth come from financially challenged or single parents families. If not for sponsors, these kids would not likely play competitive sports. Sponsorship money is used for the purchase of uniforms, sports equipment, tournament and league fees, field maintenance and facility rental. Team Faith Youth Sports is a volunteer based organization. We thank you in advance for your sponsorship of Team Faith Youth Sports and for making a difference in the lives of our youth.

Team Faith Youth Sports is a 501c3 charitable organization
